FEE PAYMENT SCHEDULE

Payment of fees is a pre-requisite to course commencement for both new and continuing students. A student will therefore be allowed to continue with studies on condition that the fees due are paid as invoiced on or before the due date.

Fee shall be payable in full or per semester/term.

•Full Payment

Fees may be paid in full for the whole course as per the fee structure. Students who opt to pay in full for CEP programmer shall be eligible for a 8% discount on tuition fee charges of the respective course.

•Semester/Term Payment

Fees may also be paid per term or semester. All fees shall be due and payable in full before the commencement of the semester/term. Payment per semester module shall not be entitled to any discount.

•Payment by installment

In the event of inability to pay the full amount prior to commencement of the semester, the student shall be allowed to pay in installments.
